

The TRUE Learning Partnership

Scheme of Delegation

Scheme of Delegation

Introduction

The TRUE Learning Partnership is a community based, values focussed, cross phased Multi Academy Trust (MAT) and is referred to in this document as 'the Trust'. Our Trust Board is accountable in law for all decisions about the schools which form part of the Trust. However, this does not mean that the Trust Board is required to make all the decisions itself. Many decisions can and should be delegated including to the Trust Leader, board committees and Local Governing Bodies (which legally are regarded as committees of the Trust Board). It is important that any decision to delegate a function is made by the full Trust Board and is recorded. Without such formal delegation, the individual or committee has no power to act. We use the term 'Executive Management Group' to mean the Trust Leader, the Chief Financial Officer, the TTLP Director of HR and Personnel, the TTLP Executive Assistant, the TTLP Director of ICT and Network Operations, the TTLP Director of Health and wellbeing, and any other role primarily designated for the carrying out of work for the purpose of the Trust as a whole rather than individual schools. In due course, this may include posts such as "Chief Operations Officer", "TTLP Assistant CFO", and "TTLP Director of Information Management".

What functions the Trust Board decides to delegate will depend upon the size of the Trust and the way in which our leadership is structured, taking into account shared ethos, geographical spread and the number of pupils in our schools. As we expand, it is more likely there will be a need to delegate to committees.

Once adopted by the Trust Board, our Scheme of Delegation will be published on the Trust's website and those of individual schools.

The purpose of our Scheme of Delegation

Our Scheme of Delegation is a key document within the "Quality Assurance and Controls Framework", defining which functions have been delegated and to whom. It is a simple, yet systematic, way of ensuring members, trustees, committees (including Local Governing Bodies), the Executive Management Group and Head Teachers, as well as schools looking to join the Trust in future, are clear about who has responsibility for making which decisions in the Trust. This overarching Scheme covering higher level decision-making in the Trust should be referred to alongside the "Operational Controls Manual" which acts as the written scheme of delegation of financial and HR powers as referred to within the Academies Financial Handbook.

Individual schools may opt to join the Trust and, with the agreement from the Trust, they will retain their Local Governing Body (LGB) as a committee of the Trust Board. It needs to be clearly understood by all parties that this may be subject to future change. The Trust Board will always have the power to appoint and remove committees at any point, whether it be a committee of the Trust Board, or Local Governing Body. Although the LGB may be retained as a committee of the Trust Board, its decision-making powers may well be very different to those it had as a local authority maintained school governing body.

This scheme is intended to demonstrate clearly the lines of accountability. It should help prevent confusion arising before any misunderstanding which could lead to a loss of trust and damaged working relationships.

Where there is duplication or overlap, questions should be asked, otherwise unnecessary workload issues may develop (e.g. the need to produce reports for and attending meetings of more than one layer of governance) and cracks can develop as assumptions are made about who is responsible for what, with the result that decisions are either not made, or different decisions are reached by different people or committees. This will be a 'living document', reviewed by the Trust Board annually and which may need to

evolve as the structure and size of our Trust changes. If you identify any areas for improvement you are encouraged to raise them with the Trust Leader.

Our Scheme of Delegation is designed to:

- ensure the Executive Management Group is clear about which decisions the Trust Board remains in control of
- ensure that the role and functions of the Executive Management Group are fully understood throughout the Trust
- promote a culture of honesty and accountability
- identify responsibility for the appointment and performance management of the Trust Leader/ and Head Teachers of individual schools
- identify responsibility for policy and practice in each school within the Trust
- identify responsibility for oversight of each School's budget
- identify responsibility for assessment of risk in each School
- identify responsibility for oversight of educational performance in each School

Our Charter of Fundamental Principles and Values

As part of its constitution, the Trust has committed to the following overarching principles in all its work alongside Schools, Local Governing Bodies and staff:

1. To respect, honour and promote your identity

We will celebrate your individual identity and promote your achievements within our wider Learning Partnership. We will value your contributions and ensure you feel part of a family where your voice counts. We will support you to positively express the contribution you make to improve children's life chances.

2. To believe in you and empower you

We will value your strengths and support you to overcome your weaknesses. We will believe in your aspirations and through collaboration and strong networking, will help you to achieve your goals. We will help you innovate, grow stronger and push the boundaries. Respecting the principle of subsidiarity, decisions will be delegated wherever possible so they are taken as close as possible to those affected by them. Your autonomy will be at the heart of all our decisions and we will always show you how we have taken this into account. Together we will ensure that decisions are taken which inspire all that pass through our learning community. We will believe in you, praise you and encourage you.

3. To listen to you

We will take the time to listen to you, respect you and understand your views. We will strive to get things right first time; if we don't, we want you to tell us. We will use your feedback to help us improve and will let you know when we change things in response to your feedback. We will clearly explain our reasons for our actions and if we don't agree with you, we will explain why. We will provide easy access to a complaints process and ensure that you are fairly treated and respected. We will always be professional and polite and will deal with any enquiries you may have as quickly as possible.

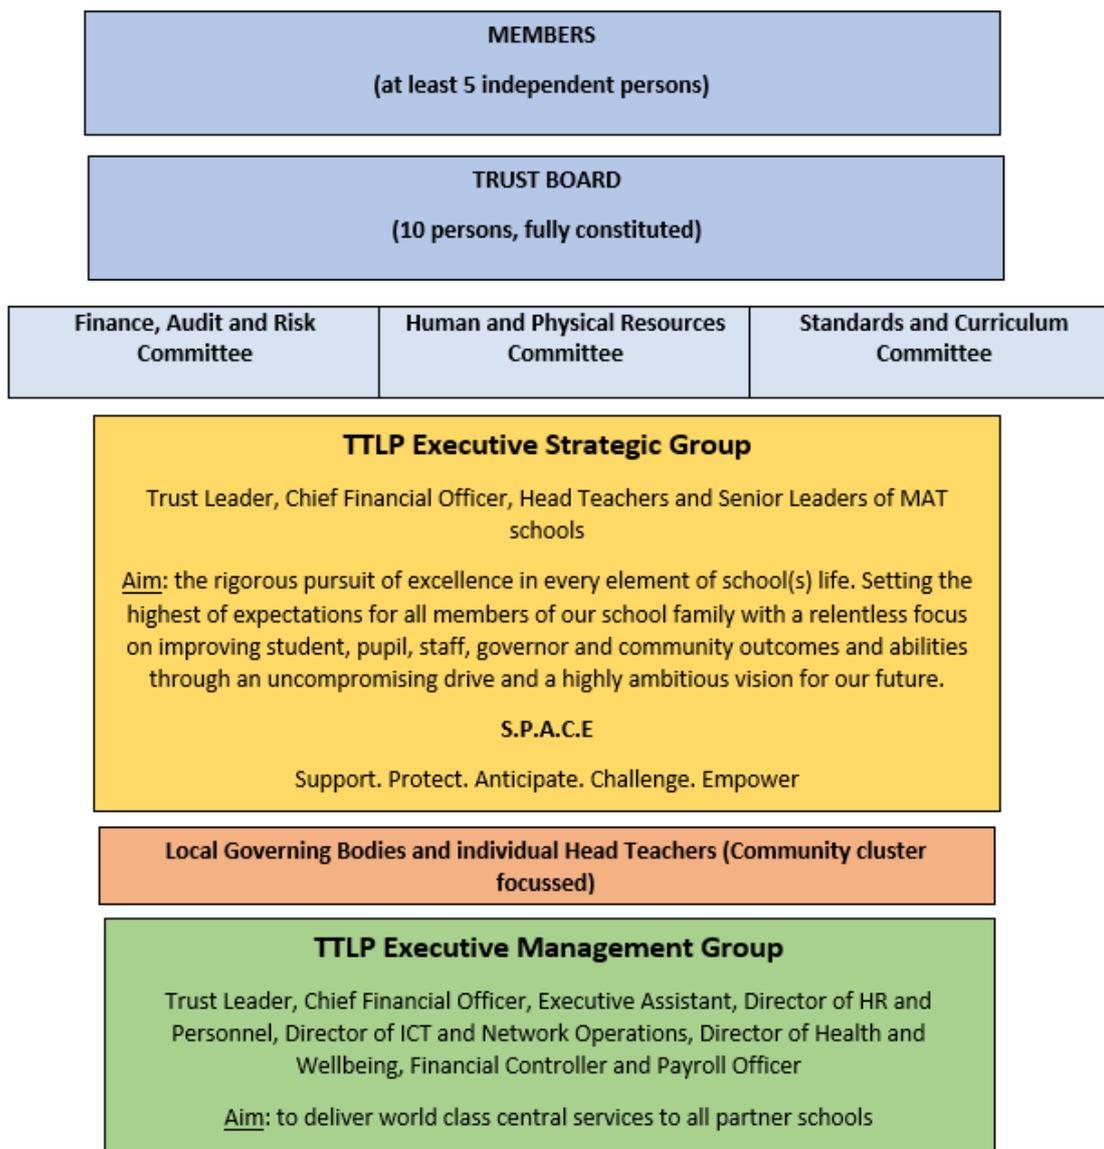

4. To keep you informed

We will give you information as you want it and as you need it. We will provide clear communication channels and clear guidance on the services you can expect from us. We will support you with accessing this information and ensure it is accurate and up to date. We recognise that clear, concise communication is paramount to our collective success and will ensure that it underpins everything we do.

5. To support you

We will make it our responsibility to understand your needs. We will offer all the support we can to help you address your needs. We will tailor our services around the common needs that exist within our schools, ensuring we are the best we can be. If we cannot meet your needs internally, we will work with you to source providers that can. We will actively promote school-to-school support across the Trust and give you the opportunities to support others, share your best practice and work collaboratively. We will help you assess yourselves and give you the tools to help you improve.

Structure of Our Delegation

Governance Structure and lines of accountability

The Trust Board of The TRUE Learning Partnership delegates responsibility for implementation of the vision and strategy to the lead professional or Senior Executive Leader of the MAT, who is the Trust Leader (and statutory 'Accounting Officer' responsible to the Department for Education and to Parliament for the proper use of public money). The Trust Board will hold the Trust Leader to account for the performance of the Trust, including the performance of individual schools within the Trust. The Trust Leader will, in turn, hold other senior executives and Head Teachers to account by line managing them. While the Trust Board cannot ever delegate its accountability, it can and must delegate some of the detailed scrutiny, oversight and decision-making. To put it another way, 'the buck always stops' ultimately with the Trust Board.

In our scheme of delegation, the Trust Board delegates responsibility for the performance of the Trust, including the performance of individual schools within the Trust, to the Trust Leader. However, substantive responsibilities concerning the performance of each school are delegated to the Local Governing Body (LGB) of each individual school. These responsibilities may include monitoring whether the school is working within the agreed policies, whether standards are being met, and whether public money is being well spent. The LGB will use its detailed local knowledge and engagement with stakeholders to ensure that their school is being well served by the Executive Management Group and Head Teacher, and as a board committee it has direct access to the Trust Board, if there are concerns.

As the Trust Leader is accountable to the Trust Board for the performance of the Trust as a whole, the Trust Leader will report to the Trust Board on the performance of the Trust, including on the performance of the Trust's schools, although this may be supplemented by monitoring reports from the Local Governing Bodies.

To ensure that the strategic direction of our Trust is fully informed by all senior leaders within it, there will be a MAT Executive Strategic Group, which comprises the Trust Leader, Chief Financial Officer and Head Teachers or other senior leaders of schools within the MAT.

The Trust Leader is performance-managed by the Trust Board, with the Chair taking the lead on this. The Trust Leader, alongside two local governing body members, performance manage the individual Head Teachers. If the Trust Leader is a substantive Head Teacher of one of the schools, the Trust Board will make appropriate arrangements for independent peer review of his or her performance as Head Teacher of that school.

The Trust Leader is assisted by and part of the Executive Management Group.

Roles and Responsibilities

The role of the Members

The Members of the Trust have a different status to trustees. They were the original signatories to the memorandum of association and agreed the Trust's first Articles of Association (a document which outlines the governance structure and how the Trust will operate). The Articles of Association also describe how members are recruited and replaced, and how many of the trustees the members can appoint to the Trust Board. The members appoint trustees to ensure that the Trust's charitable object is carried out, and so must be able to remove trustees if they fail to fulfil this responsibility. The members may appoint by ordinary resolution up to 10 Trustees. The members may agree by passing a special resolution to appoint additional members as they see fit, and to remove any members. Any member may resign provided that after resignation the number of members is not less than three.

The Academy Trust shall hold an Annual General Meeting each Academy Financial Year, at which the Trust Board presents to the Members an annual report on the performance of the trust, and the Members receive the trust's audited annual accounts.

Members are responsible for approving any amendments made to the Trust's Articles of Association. Furthermore, only the members can change the name of the Trust or to alter the principles in The TRUE Learning Partnership Charter, by passing a special resolution which requires a 75% majority. The Members are therefore the independent custodians of our community and values focussed mission and act as an important 'check and balance'. In extreme circumstances, they could pass a resolution to dismiss the Trust Board and appoint new trustees.

While members are permitted to be appointed as trustees, in order to retain a degree of separation of powers between the members and the Trust Board, and in line with Department for Education expectations, not all members should be trustees. Members are not permitted to be employees of the Trust.

The role of the Trustees

The trustees are company directors and 'charity trustees' (within the terms of section 177(1) of the Charities Act 2011) and are responsible for the general control and management of the administration of the Trust in accordance with the provisions set out in the Articles of Association and the terms of the Trust's Funding Agreement with the Department for Education (which incorporates the Academies Financial Handbook).

The Trust Board is the accountable body for the performance of all schools within the Trust and as such must:

1. Ensure clarity of vision, ethos and strategic direction
2. Hold the executives to account for the educational performance of the schools and their pupils, and the performance management of staff
3. Oversee the financial performance of the Trust and make sure its money is well spent

Because the trustees are bound by both charity and company law, the terms 'trustees' and 'directors' are often used interchangeably. We use the term trustee here as it avoids the possible confusion caused when executive leaders are sometimes called 'directors' but are not actual company directors and trustees.

The role of trustee involves a particular set of duties and requires specific skills and personal qualities. These are set out in more detail in Appendix 3.

Meeting as a Trust Board

The Trust Board is permitted to exercise all the powers of the Trust. The Trust Board delegates to the Trust Leader responsibility for the day to day operations of the Trust. The trustees can determine whether and how to delegate any governance functions.

The Trust has the right to review and adapt its governance structure at any time which includes removing delegation, for example if there are financial irregularities, or performance concerns.

We have identified certain key issues and decisions which must be tackled collectively by the Trust Board and which cannot be delegated to any individuals or committees – this is called a '**schedule of reserved matters**'. These matters must always be brought to the Trust Board for discussion and no individual trustee, officer, Head Teacher, employee or sub-committee has the power to make these decisions alone:

- Approval of the Trust's Annual Report and Accounts

- Appointment or removal of our auditors
- Developing, approving and reviewing the Trust's strategy
- Approval of operating plan and budgets, review of progress against budgets
- Approval of expenditure and contracts in excess of delegated limits
- Approving the prosecution, defence or settlement of any court claims
- Approval and ongoing monitoring of risks – the Trust Board will set appropriate risk management policies and establish a system of internal control. It will seek regular assurances that the system is working effectively
- Appointment and removal of Trustees, the Trust Leader and local Head Teachers
- Succession planning for key roles
- Ownership of all statutory Trust-wide policies, such as health and safety, safeguarding, admissions and SEN
- Approval and ownership of the board Code of Conduct
- Setting terms of reference for delegation of powers to individual executives and committees

An effective Trust Board has five main strands to its work:

- To establish and maintain the vision, mission and values of the Trust (the *vision* should be an inspiring picture of the organisation's potential, the *mission* is a statement of how to achieve the desired state, whilst *values* are the principles and deeply held beliefs and standards of conduct embedded in our way of doing things).
- To decide the strategy and structure – the Trust Board should continually review and evaluate the Trust's *strengths, weaknesses, opportunities and threats* and consider how best to play to the organisation's strengths, or boost the Trust's skills set.
- Delegate authority to the Executive Management Group and Local Governing Bodies where appropriate, and then monitor and evaluate the performance of our strategy and business plan, whilst maintaining appropriate monitoring and systems of internal control; determine the appropriate key performance indicators (KPIs) to be used to monitor progress.
- Identify risks, put in place arrangements to manage those risks, (including insurances, policies and processes) and review and monitor them periodically.
- Communicate with all our stakeholders (such as parents and carers, pupils, employees, partners, suppliers, funders, and members): maintain a continuous dialogue with them to understand their needs and views, promote their goodwill and support.

Financial controls

The Trust Board must establish a control framework that recognises public expectations about governance, standards and openness. The Academies Financial Handbook requires that the Trust's internal control framework must include:

- co-ordinating the planning and budgeting processes
- applying discipline in financial management, including managing banking, debt and cash flow, with appropriate segregation of duties
- preparation of monthly budget monitoring reports
- ensuring that delegated financial authorities are respected
- effective planning and oversight of any capital projects
- the management and oversight of assets

- the propriety and regularity of financial transactions
- reducing the risk of fraud and theft
- ensuring efficiency and value for money in the organisation's activities
- a process for independent checking of financial controls, systems, transactions and risks.

The system for carrying out independent checks (sometimes known as the '**Responsible Officer**') may be delegated to a trustee with appropriate financial expertise, or may (when scale and resources permit) be contracted out to an external supplier or independent peer reviewer. Our Trust's internal control framework is detailed within the "Operational Controls Manual".

The role of the Chair of Trustees

The Chair of the Trust Board has a crucial role to play both inside and outside the boardroom. The Chair should be a team-builder and diplomat: ensuring the Trust Board understands the strategy and common objectives; promoting open and two-way communications, facilitating participative decision-making and providing visible leadership. The trustees shall each school year elect a chairman and a vice-chairman from among their number.

Managing meetings is critical

The Chair's role is to create a safe space in which constructive inputs from all trustees can occur. The Chair runs the board and set its agenda. Meetings should be held in conducive locations and should start and finish on time. Agendas should focus on strategic matters, value creation and performance, rather than operational details, which are better delegated to the Executive Management Group.

The Chair should ensure that all members of the Trust Board receive accurate, timely and clear information. This should cover both financial and non-financial indicators. This will enable the Trust Board to make decisions based on evidence and properly to discharge their duty to promote the success of the Trust. Information should generally be circulated in advance of meetings to allow adequate reading time.

For each item, the Chair should invite the person leading on it, often a member of the Executive Management Group, to introduce the subject and report, then open up the subject for discussion and debate. Vociferous members of the Trust Board should not be allowed to dominate, particularly if this discourages quieter members from contributing. The Chair's primary role should be to elicit the views of others and not to manipulate the discussion so that it goes their own way. The sense of the meeting must be ascertained and the outcome documented in the minutes. The Chair must ensure that actions are followed through.

The Chair should manage the Trust Board to ensure that sufficient time is allowed for discussing complex or contentious issues. Trust Board members should not be faced with unrealistic deadlines for decisions. All board members should be encouraged to participate and offer constructive challenge. A skilful Chair should encourage feelings to be openly expressed and create a climate of trust and candour. Conflict should be surfaced and handled, with constructive negotiation, rather than personal attacks.

The Chair should make certain that the Trust Board decides the nature and extent of the risks that it is willing to tolerate in implementing its strategy. Sufficient attention should also be given to the composition, skills mix and succession planning for Trust Board roles.

Chair's role outside of meetings

The Chair should make a special effort to get to know the other Trust Board members through one-to-one phone calls or meetings. Valuable insights can be gleaned by drawing out fellow trustees' perceptions of the strengths, weaknesses, opportunities and threats facing the organisation. The Chair may help to facilitate social time in advance or after meetings to enhance teamwork within the group, by encouraging trustees to get to know and understand each other's background, skills and perspective.

The Chair should take the lead in providing a proper induction programme for all new appointees to the Trust Board (assisted by the Secretary, where appropriate). The Chair should also lead on evaluating the performance of the Trust Board as whole, as well as individual trustees, preferably on an annual or biennial basis. The Chair's performance should be subject to review by fellow trustees also. Following the reviews, the Chair should follow through on any training and development needs which have been identified.

The Chair has a crucial role to play in managing communications with the Trust's stakeholders and ensuring that trustees develop an understanding of the needs and desires of parents, pupils, staff, partners and funders, as well as regulators. There is also key role to play in dealing with the media, particularly during a crisis, to protect the Trust's reputation.

What makes an effective Chair?

An effective chair needs self-confidence, usually acquired through experience, good listening skills and charisma, which arises from being simultaneously in control, yet still open to contributions. To lead the Trust Board effectively, the Chair must know the trustees and Executive Management Group, their strengths and weaknesses, so that they can be drawn out on relevant matters, or reined in when they are becoming too long-winded. A visible presence, walking the floor in schools, motivating and talking to staff, as well as meeting and presenting to external stakeholders, is important.

The Higgs Review of 2003 found that an effective Chair:

- Upholds the highest standards of integrity, probity and good governance, leading by example
- Sets the agenda, tone and style of board discussions to promote debate and discussion and sound decision-making
- Ensures a clear structure for running board meetings, including starting and finishing on time and spending proportionate amounts of time on thorny and complex issues
- Promotes effective communications, inside and outside the boardroom
- Builds an effective board by initiating change and succession planning for board vacancies
- Ensures that Board decisions are implemented effectively
- Establishes a close relationship of trust with the senior executives, providing wise counsel, advice and support, but at the same time being careful not to interfere with operational management decisions
- Provides coherent leadership of the organisation, including representing the organisation to the outside world and understanding the views of all the organisation's key stakeholders.

Chairmanship is a challenging role. A good chair will have a clear vision and focus on strategy, bringing together the disparate skills, qualities and experience of other trustees. The Chair should foster a positive culture of corporate governance which then permeates down through the organisation and delivers positive results.

The role of Committees

The Trust Board may establish committees either with delegated authority to make decisions or to provide advice and support, informing the overall work of the Trust Board. However, these committees are not legally responsible or accountable for statutory functions – the Trust Board always retains overall accountability and responsibility. The responsibilities of Trust Board committees will be set out in their terms of reference; the responsibilities for Local Governing Bodies are set out in this scheme of delegation. The Trust Board always has the power to appoint and remove committee members and committee chairs.

The TRUE Learning Partnership will have three board committees initially:

- Finance, Audit and Risk Committee
- Standards and Curriculum Committee
- Human and Physical Resources Committee

The terms of reference for these three committees of the Trust Board are set out in Appendix 4.

The role of the Local Governing Body (LGB)

The Trust Board will ensure that each school has its own Local Governing Body who will recommend a chair for approval by the Trust Board. The Trust Board will ensure at least 2 of the LGB members are parents or carers, and will determine what functions will be delegated. High level delegated responsibilities include:

- Building an understanding of how the school is led and managed
- Monitoring whether the school is:
 - providing an appropriate standard of education, care, welfare and safeguarding in accordance with Trust policies
 - is meeting the agreed KPIs
 - managing its finances well
- Engaging with stakeholders
- Reporting up to the Trust Board

The Local Governing Body's role is to exercise leadership on behalf of the Trust in the running of the individual School and to provide information to the Trust Board on its operation and performance. It will exercise its responsibilities and powers in partnership with the Head Teacher and the Trust's Executive Management Group. It is agreed that at the outset, individual schools may, if they wish, keep their current governing body composition and membership and may organise their sub-committee structure as they see fit, provided the essential functions of education and achievement, pupil welfare, finance, premises and human resources, admissions, curriculum and spiritual, moral, social and cultural development (SMSC) are covered off.

The Local Governing Body and Head Teacher have full delegated responsibility for the day to day leadership and management of their School. Each Local Governing Body also has a key role to play in the overall development and success of the Trust and in contributing to joint working and sharing of best practice between schools in the Trust.

In particular, the Local Governing Body will:

- Help the School to set high standards by planning for the future, set and agree targets, monitor and evaluate performance.
- Determine and approve the School's Development Plan in line with the Trust's Vision, Mission and Values
- Be a critical friend to and hold leaders to account for the pace of improvement and the achievement of all children
- Monitor the application of the Trust's vision and values at a local level
- Ensure sound management and administration of the School and ensure all staff have the necessary qualifications, experience, skills and training to carry out their role
- Ensure the School complies with all Trust-wide policies and procedures, as well as statutory and legal requirements
- Help the school respond to and meet the needs of local parents and the wider local community
- Ensure all local governors are able to understand, interpret, and compare school performance, attendance, admissions and exclusions data
- Ensure local governors have the skills and knowledge to assess the school's financial performance

In line with the Trust's policies and procedures, the Local Governing Body will undertake the following specific tasks:

- Ensure that the Local Governing Body consists of a minimum of 9 members, with a maximum of 3 being staff (including the Head Teacher)
- Recommend a governor for appointment as Chair of the Local Governing Body, subject to the approval of the Trust Board
- Appoint a Vice Chair
- Hold at least 3 Local Governing Body meetings per annum
- Make arrangements for the election/appointment of parent and staff governors in line with the Trust's procedures.
- Appoint a clerk and implement arrangements in accordance with the Trust Board's requirements, including keeping accurate minutes of all meetings and supplying copies promptly to the Trust Board
- Maintain and publish, through the clerk, a register of governors, Head Teacher's and Deputy Head Teacher's outside interests and adhere to the Trust's Code of Conduct and policies on managing conflicts of interest
- Establish sub-committees as it sees fit with appropriate documented terms of reference and appoint the chairs of these sub-committees. Ensure that the sub committees consist of a minimum of 5 members, 3 of which are not staff
- Carry out and report regularly on all duties and responsibilities delegated by the Trust Board
- Local Governors shall hold office for a term of 4 years and may serve for a maximum of two terms.
- The quorum for a Local Governing Body or sub-committee meeting to proceed shall be at least 50% of governors/ sub-committee members present, of whom no more than one third may be staff governors . In Local Governing Body meetings each governor shall hold one vote, but in the event of a tie, the Chair shall hold a casting vote.
- The Trust Leader, the Head Teacher or any person nominated by them shall have the right to attend all meetings of a Local Governing Body or its sub-committees.

As a committee of the Trust Board, delegation can be removed at any time, for example if there are performance issues or severe financial pressures or irregularities.

The role of the Trust Leader see Appendix 1 for job description and person specification

The Trust Leader has the delegated responsibility for the operation of the Trust including the performance of the Trust's schools and the Trust Leader performance manages the individual Head Teachers alongside the local governing body members. As there is delegation to a Local Governing Body (LGB) this is usually with the LGB chair alongside.

The Trust Leader is the designated 'accounting officer' and so has overall responsibility for the operation of the Trust's financial obligations and must ensure that the organisation is run with financial effectiveness and stability, avoiding waste and securing value for money. The role of the Trust Leader is set out in detail in the Job Description and Person Specification for that role.

The Trust Leader leads the Executive Management Group of the Trust, which includes the Chief Financial Officer, the TTLP Director of HR and Personnel, the TTLP Executive Assistant, the TTLP Director of ICT and Network Operations, the TTLP Director of Health and wellbeing, and in due course a Chief Operating Officer, and Executive Director of Information Management. The Trust Leader will delegate executive management functions to members of the Executive Management Group, but remains accountable to the Trust Board for the performance of the Executive Management Group. The Executive Management Group at Trust level will have primary responsibility for the following functions across all the Schools within the MAT:

- Finance and accounting functions
- Payroll and HR matters, including Occupational Health
- Information and Communications Technology (ICT)
- Procurement and purchasing of supplies and joint contractual opportunities (e.g. grounds maintenance and catering)
- Sourcing of external improvement partner services
- Developing a Training Framework
- Development of Statutory Policies
- Seeking to secure additional sources of funding to support schools
- Developing a talent spotting, recruitment and succession planning framework
- Developing a robust and effective risk management system

The overarching function of the Executive Management Group is to provide support, to protect, to anticipate, to challenge and to empower (S.P.A.C.E.) to each individual school. The Trust will resource these functions by charging a top-sliced contribution to individual school budgets. The Trust Board will determine the amount of the contributions after consultation with Local Governing Bodies. The specification and agreed service levels for activities to be performed by the Trust will be set out in a service level agreement.

The role of the Chief Financial Officer (CFO) is set out in more details in Appendix 2.

The role of the individual Head Teacher

An individual Head Teacher is responsible for the day to day management of their School and is line-managed by the Trust Leader in conjunction with the local governing body head teacher pay committee, but will report to the Local Governing Body on matters which have been delegated to the Local Governing Body. The

Headteacher will also be part of the MAT Executive Strategic Group which consists of the CEO, CFO, and Headteachers or other senior leaders of individual schools within the MAT.

The TRUE Learning Partnership

Thresholds for delegations to Local Governing Bodies

The TRUE Learning Partnership principle of “earned autonomy” means that all decisions should be made by the most local and least centralised competent authority, in most instances this is the Local Governing Body (“LGB”) and the Head Teacher and their Senior Leadership Teams of each individual school. However, The TRUE Learning Partnership’s Trust Board retains a range of powers to intervene depending on the nature and scale of any issues. Any such issues will be evaluated by the Trust Board’s “Standards & Curriculum Committee” under guidance from both the Trust Leader and TTLP’s School Improvement Officer. In instances where the concerns are financial or contractually related, such issues will be evaluated by the Trust Board’s “Finance, Audit and Risk Committee”. Both committees will make a recommendation to the full Trust Board in relation to the removal of some, or all, of the Local Governing Body’s delegations.

Academic standards in the schools will be evaluated using the professional judgement from the following sources:

- School Improvement Partners
- TTLP School Improvement Framework data monitoring
- TTLP MAT Data Dashboard Summary
- National comparisons of the most recent academic results
- Range of indicators provided by the DfE performance tables
- OFSTED reports
- Additional external commissioned school evaluation reports

Schools in The TRUE Learning Partnership that are judged to be at least good by Ofsted and have a balanced financial plan, will normally be allowed full delegation, as defined in TTLP’s Scheme of Delegation, to the LGB, including the approval of the School Development Plan.

In the event of any evidence of a significant dip in performance or serious financial weakness the Trust Board reserves the right to withdraw elements of delegation. Such dip in performance can be evidenced by:

- A school being judged by OFSTED to be Requiring Improvement, have Serious Weaknesses or require Special Measures
- A school having serious financial weakness based on advice from TTLP auditors, internal audit processes, inability to set an in-year balanced budget or breach of the “TTLP Financial Operations Manual”
- A school deemed to be at serious risk by either another external regulatory body or by the Standards Committee through the analysis of the data sources as described above and with advice from TTLP’s School Improvement Partner

In the event of such evidence, the Trust Leader will support the work of the Head Teacher and will work together to establish a School Improvement Action Plan, to be jointly managed between the Head Teacher and the Trust Leader. Both the School Development Plan and the School Improvement Action Plan will be approved by the Trust Board and progress towards meeting the targets will be monitored by the respective Trust Board’s Sub-Committee. The Trust Leader will have, for a clearly determined time period (as detailed within the School Improvement Action Plan), the authority to direct the Head Teacher within the parameters of the School Development Plan and School Improvement Action Plan, draw upon appropriate expertise and

will be accountable directly to the Trust Board. The Trust Board will decide on appropriate levels of financial delegation given the individual circumstances of the school.

Formal review of the level of delegation will be undertaken by the Trust Board on a minimum of twice yearly basis and the conclusion will be communicated back to the respective Local Governing Body.

Where the Trust Leader is the Head Teacher of the school placed in an OFSTED category or deemed to be at risk, the Trust Board will be responsible for appointing an appropriate person to take on the role of the Trust Leader or Head Teacher where appropriate.
